

What is AFA Care?

AFA Care is a division of the Royal Australian Air Force Association (RAAFA) and has been created in response to the need for quality in home services for the community.

RAAFA has a long standing involvement with both veterans and the community alike. This is reflected in RAAFA's vision statement:

' to be a financially secure adaptable organisation growing on a broad base of caring and supportive services.'

RAAFA, through AFA Care, builds on this vision by extending the quality service, once reserved for Veterans, to all members of the wider community.
